Cancellation Policy

By the Learner: You may not cancel a video on-demand purchase. The course is available on your ImPACT Applications training dashboard and you may watch it at any time. If you are unsatisfied with the course, please contact training@impacttest.com to receive credit towards another course of equal or lesser value.

By ImPACT Applications: If ImPACT Applications removes a course from its video on-demand library, they will first offer the individual a credit toward another course of equal value. If the individual does not want another course, the provider will refund the registration fee for the course.

Complaint Policy

When a participant, either verbally or in written format, files a grievance and expects action on the complaint, the following actions will be taken.

If the grievance concerns a speaker, the content presented by the speaker, or the style of presentation, the individual filing the grievance will be asked to put his/her comments in written format. The planning committee will then pass on the comments to the speaker, assuring confidentiality.

If the grievance concerns a workshop, its content, level of presentation, or the facilities in which the workshop was offered, the planning committee will mediate and will be the final arbitrators. If the participant requests action, the final arbitrator will follow the standard cancellation and refund policies.

If the grievance requires a resolution, a member of the planning committee will take necessary action.

Please contact ImPACT Applications at training@impacttest.com, (877) 646-7991 ext. 908, or +1 (412) 567-8400 to submit a complaint, or if you have additional questions.

Commercial Support

Currently, ImPACT Applications does not accept commercial support for any continuing education programs.

Conflict of Interest Policy

Available upon request

All individuals in control of content disclosed **no relevant financial relationships**.

The planning committee identified **no conflicts of interest** for this course.

Commercial Bias

The intent of this course is to promote improvements in the management of concussion. Attendees are encouraged to inform the course planning committee through the course evaluation if any commercial bias is detected.
