Leveraging Telemedicine For Concussion Care

### 8. Learning Objectives

(Achievement assessed through post-course evaluation/quiz)

At the end of this course, the learner will be able to:

- Identify when telemedicine is appropriate to use for concussion care.
- Identify potential pitfalls when integrating telemedicine.
- Restate how to use ImPACT remote post-injury testing.
- Restate general billing guidelines for telemedicine in concussion care.

**Summary of Evidence:** Telemedicine may be appropriate to use for concussion care when certain criteria is met. ImPACT can be administered remotely via telemedicine as part of a comprehensive concussion evaluation. Additionally, clinicians may be able to get reimbursed for telemedicine services at the same rate they would for in-person care.

### 9. Educational Level

Beginner / Introductory / Essential

### 10. Course Outline

- Incorporating telemedicine in your concussion practice.
  - Identifying and addressing potential pitfalls when integrating a telemedicine component into your concussion practice
  - How to use ImPACT post-injury testing remotely
  - General discussion about billing and reimbursement
  - Real case studies of conducting concussion care via telemedicine

## Course Completion Requirements

Learners must do the following to receive a valid statement of credit or certificate:

Watch the live presentation

Complete the course quiz (80% minimum passing score) and satisfaction survey

## Attendance Requirements

Attendees should claim only those hours actually spent in the educational program.

## Prerequisites

None

## Healthcare Provider Applicability

Available upon request. Please email [training@impacttest.com](mailto:training@impacttest.com) to request.

## Special Needs Requests

Participants who have special needs are encouraged to contact program organizers so that all reasonable efforts to accommodate these needs can be made.

## Included with Registration

Access to recording of the webinar for 48 hours after the live session

Presenter contact information available on request

## Required Materials

ImPACT Applications training dashboard login

## Speaker Standards

Statements and opinions contained in this presentation are solely those of the presenter.

Treatments and tools presented today are some of many that are available.

Presenters have agreed to demonstrate high standards of professional conduct and will not discriminate against learners on the basis of gender, age, socioeconomic or ethnic background, sexual orientation, or disability.

ImPACT Applications owns the slides presented. Attendees may not use any materials presented without written permission from ImPACT Applications.

### Complaint Policy

When a participant, either verbally or in written format, files a grievance and expects action on the complaint, the following actions will be taken.

If the grievance concerns a speaker, the content presented by the speaker, or the style of presentation, the individual filing the grievance will be asked to put his/her comments in written format. The planning committee will then pass on the comments to the speaker, assuring confidentiality.

If the grievance concerns a workshop, its content, level of presentation, or the facilities in which the workshop was offered, the planning committee will mediate and will be the final arbitrators. If the participant requests action, the final arbitrator will follow the standard cancellation and refund policies.

If the grievance requires a resolution, a member of the planning committee will take necessary action.

Please contact ImPACT Applications at [training@impacttest.com](mailto:training@impacttest.com), (877) 646-7991 ext. 908, or +1 (412) 567-8400 to submit a complaint, or if you have additional questions.

### Commercial Support

Currently, ImPACT Applications does not accept commercial support for any continuing education programs.

### Conflict of Interest Policy

Available upon request

All individuals in control of content disclosed **no relevant financial relationships.**

The planning committee identified **no conflicts of interest** for this course.

### Commercial Bias

The intent of this course is to promote improvements in the management of concussion. Attendees are encouraged to inform the course planning committee through the course evaluation if any commercial bias is detected.
