Webinar Replay: ImPACT Case Studies

1. Course Description

Get the most out of your concussion evaluations with patients. These real-life case studies will help you learn how to review and utilize ImPACT clinical results in conjunction with other data points to ultimately guide and develop a patient's individualized treatment plan. Additionally, a case completed via telemedicine during the COVID-19 pandemic will be reviewed and discussed.

2. Speaker

Melissa Womble, Ph.D.

3. Contact Hours

1

4. Cost

\$39

5. Registration Link

ConcussionCareTraining.com

6. Target Audience

Physicians, Nurse Practitioners, Physician Assistants, Psychologists, Athletic Trainers

7. Location/Format

Pre-recorded lecture (Internet enduring material, Distance learning: independent, E-learning course, self-paced program, home study,)

8. Learning Objectives

(Achievement assessed through post-course evaluation/quiz)

At the end of this course, the learner will be able to:

- Restate how to utilize ImPACT results as part of the comprehensive clinical evaluation.
- Restate the clinical profile(s).
- Understand how to use the clinical profiles to create individualized treatment plans.
- Understand ways to adapt concussion clinical practice to telemedicine.

Summary of Evidence: ImPACT clinical reports may be used as part of a comprehensive concussion evaluation. ImPACT results may also be used in conjunction with symptom reporting to identify a clinical profile(s) / modifier(s) and help determine a treatment trajectory. Concussion assessment and management may also be carried out via telemedicine.

9. Educational Level

Beginner / Introductory / Essential

10. Course Outline

- Case Studies
 - Comprehensive Clinical Assessment
 - Clinical Profiles and Treatment Options
 - Case Studies Cont.
 - Telemedicine
 - Q&A

Complaint Policy

When a participant, either verbally or in written format, files a grievance and expects action on the complaint, the following actions will be taken.

If the grievance concerns a speaker, the content presented by the speaker, or the style of presentation, the individual filing the grievance will be asked to put his/her comments in written format. The planning committee will then pass on the comments to the speaker, assuring confidentiality.

If the grievance concerns a workshop, its content, level of presentation, or the facilities in which the workshop was offered, the planning committee will mediate and will be the final arbitrators. If the participant requests action, the final arbitrator will follow the standard cancellation and refund policies.

If the grievance requires a resolution, a member of the planning committee will take necessary action.

Please contact ImPACT Applications at training@impacttest.com, (877) 646-7991 ext. 908, or +1 (412) 567-8400 to submit a complaint, or if you have additional questions.

Commercial Support

Currently, ImPACT Applications does not accept commercial support for any continuing education programs.

Conflict of Interest Policy

Available upon request.

Presenter, Melissa Womble, disclosed a relevant financial relationship in the form of a research contract with Brainscope in which she is the principal investigator. This relationship has been mitigated.

Commercial Bias

The intent of this course is to promote improvements in the management of concussion. Attendees are encouraged to inform the course planning committee through the course evaluation if any commercial bias is detected.
