**Billing and Coding for Concussion Rehabilitation**

## 1. Course Description

This course provides a description of how to code and bill for PT and OT services commonly provided in concussion management. This includes a description of common ICD-10 codes used in establishing a diagnosis, appropriate classification of evaluation, and common CPT codes used to bill for rehabilitation services. Case examples will reinforce various components of the coding and billing process.

## 2. Speaker

Mark Boland, PT, DPT, OCS, MBA

## 3. Contact Hours

0.5

#### Course Completion Requirements

Learners must do the following to receive a valid statement of credit or certificate:

Watch the prerecorded presentation

Complete the course quiz and satisfaction survey

#### Attendance Requirements

Variable credit is not awarded for video on demand courses. ATs should claim only those hours actually spent in the educational program.

#### Prerequisites

None

#### Healthcare Provider Applicability

Available upon request. Please email [training@impacttest.com](mailto:training@impacttest.com) to request.

#### Special Needs Requests

Participants who have special needs are encouraged to contact program organizers so that all reasonable efforts to accommodate these needs can be made.

#### Included with Registration

Access to video on-demand course

Printable course slides

Technical support for training dashboard

Presenter contact information available on request

#### Required Materials

ImPACT Applications training dashboard login

#### Speaker Standards

Statements and opinions contained in this presentation are solely those of the presenter.

Treatments and tools presented today are some of many that are available.

Presenters have agreed to demonstrate high standards of professional conduct and will not discriminate against learners on the basis of gender, age, socioeconomic or ethnic background, sexual orientation, or disability.

ImPACT Applications owns the slides presented. Attendees may not use any materials presented without written permission from ImPACT Applications.

#### Cancellation Policy

**By the Learner:** You may not cancel a video on-demand purchase. The course is available on your ImPACT Applications training dashboard and you may watch it at any time. If you are unsatisfied with the course, please contact [training@impacttest.com](mailto:training@impacttest.com) to receive credit towards another course of equal or lesser value.

**By ImPACT Applications:** If ImPACT Applications removes a course from its video on-demand library, they will first offer the individual a credit toward another course of equal value. If the individual does not want another course, the provider will refund the registration fee for the course.

#### Complaint Policy

When a participant, either verbally or in written format, files a grievance and expects action on the complaint, the following actions will be taken.

If the grievance concerns a speaker, the content presented by the speaker, or the style of presentation, the individual filing the grievance will be asked to put his/her comments in written format. The planning committee will then pass on the comments to the speaker, assuring confidentiality.

If the grievance concerns a workshop, its content, level of presentation, or the facilities in which the workshop was offered, the planning committee will mediate and will be the final arbitrators. If the participant requests action, the final arbitrator will follow the standard cancellation and refund policies.

If the grievance requires a resolution, a member of the planning committee will take necessary action.

Please contact ImPACT Applications at [training@impacttest.com](mailto:training@impacttest.com), (877) 646-7991 ext. 908, or +1 (412) 567-8400 to submit a complaint, or if you have additional questions.

#### Commercial Support

Currently, ImPACT Applications does not accept commercial support for any continuing education programs.

#### Conflict of Interest Policy

Available upon request

All individuals in control of content disclosed **no relevant financial relationships**.

The planning committee identified **no conflicts of interest** for this course.

#### Commercial Bias

The intent of this course is to promote improvements in the management of concussion. Attendees are encouraged to inform the course planning committee through the course evaluation if any commercial bias is detected.
