Director

Inova Sports Medicine Concussion Program

Dr. Melissa Womble is a fellowship-trained neuropsychologist with specialization in sport concussion management. She currently serves as Director of the Inova Sports Medicine Concussion Program with offices in Fairfax and Gainesville, Virginia. Dr. Womble joined Inova Medical Group in August 2016 after completing a neuropsychology post-doctoral fellowship within the University of Pittsburgh Medical Center's Sports Medicine Concussion Program. An accomplished high school track athlete, Dr. Womble took her passion for competitive sports to the University of South Alabama (USA) where she competed as an NCAA Division I cross country and track athlete while earning her Bachelor's degree in psychology. She went on to receive a Master's degree in applied psychology and a Doctoral degree in combined-integrated clinical and counseling psychology, both at USA. During her doctoral studies, Dr. Womble provided sports enhancement therapy for collegiate athletes and also developed a concussion management program for collegiate and high school athletes. She completed a pre-doctoral internship at Henry Ford Medical Center in Detroit, MI, where she continued to develop her interest in traumatic brain injuries and furthered previous neuropsychology training before moving on to her fellowship experience in Pittsburgh. Dr. Womble has presented at national conferences and published in numerous peer-reviewed journals.
