### Chiropractor's Role in Concussion Care: From Assessment to Return to Activity

#### 1. Course Description

Get an overview of the chiropractor's scope of practice for managing concussions and associated disorders from initial assessment to return to learn/activity. Understand the basic pathophysiology of whiplash-associated disorder, vestibular disorders, ocular disorders, and metabolic disorders, as well as standard methods chiropractors can utilize to manage them. Additionally, get actionable takeaways on how to maximize revenue by attracting new patients, building a strong referral network, and getting reimbursed for concussion care services.

#### 2. Speaker

Jordan Knowlton-Key

#### 3. Contact Hours

1

#### 4. Cost

\$39

#### 5. Registration Link

[ConcussionCareTraining.com](https://ConcussionCareTraining.com)

#### 6. Target Audience

Physicians, Nurse Practitioners, Physician Assistants, Psychologists, Athletic Trainers, Physical Therapists, Occupational Therapists

#### 7. Location/Format

Internet Enduring Material

## 8. Learning Objectives

(Achievement assessed through post-course evaluation/quiz)

At the end of this course, the learner will be able to:

- Summarize the chiropractic scope of practice related to the management of concussions and associated disorders
- Summarize the basic pathophysiology of concussions and associated disorders
- Identify standard methods utilized by chiropractors for the management of concussions and associated disorders.

**Summary of Evidence:** Chiropractors are well-suited for evaluating concussions, implementing return to sport and return to learn protocols, and implementing aerobic / strength conditioning protocols. Their scope of practice allows them to be involved in multiple concussion clinical trajectories. The chiropractor can also help with differential diagnosis between concussions and other conditions with similar symptoms.

## 9. Educational Level

Beginner / Introductory / Essential

## 10. Course Outline

- Chiropractic Scope of Practice
- Head Injury Background and Pathophysiology
- Baseline examinations
- Sideline Examinations
- Best-Practices Clinical Examination
- Baseline and Post-Injury Testing
- Return to Sport / Return to Academics
- EMR Coding, Billing, and Practice Building

#### Complaint Policy

When a participant, either verbally or in written format, files a grievance and expects action on the complaint, the following actions will be taken.

If the grievance concerns a speaker, the content presented by the speaker, or the style of presentation, the individual filing the grievance will be asked to put his/her comments in written format. The planning committee will then pass on the comments to the speaker, assuring confidentiality.

If the grievance concerns a workshop, its content, level of presentation, or the facilities in which the workshop was offered, the planning committee will mediate and will be the final arbitrators. If the participant requests action, the final arbitrator will follow the standard cancellation and refund policies.

If the grievance requires a resolution, a member of the planning committee will take necessary action.

Please contact ImPACT Applications at [training@impacttest.com](mailto:training@impacttest.com), (877) 646-7991 ext. 908, or +1 (412) 567-8400 to submit a complaint, or if you have additional questions.

#### Commercial Support

Currently, ImPACT Applications does not accept commercial support for any continuing education programs.

#### Conflict of Interest Policy

Available upon request

All individuals in control of content disclosed **no relevant financial relationships**.

The planning committee identified **no conflicts of interest** for this course.

#### Commercial Bias

The intent of this course is to promote improvements in the management of concussion. Attendees are encouraged to inform the course planning committee through the course evaluation if any commercial bias is detected.

#### Cancellation Policy

**By the Learner:** You may not cancel a video on-demand purchase. The course is available for 6 months after purchase and the individual may watch it at any time. If you are unsatisfied with the course, please contact [training@impacttest.com](mailto:training@impacttest.com) to receive credit towards another course of equal or lesser value.

**By ImPACT:** If ImPACT Applications removes a course from its video on-demand library, they will first offer the individual a credit toward another course of equal value. If the individual does not want another course, the provider will refund the registration fee for the course.

**Jordan Knowlton-Key**

Chiropractic Sports Physician

Lake Placid United States Olympic and Paralympic Training Center

Dr. Jordan Knowlton-Key currently serves as the chiropractic sports physician at the Lake Placid United States Olympic and Paralympic Training Center. He completed his chiropractic doctorate at Northwestern Health Sciences University (NWHSU) and his Masters of Exercise Science from Concordia St. Paul University. After graduation, he completed a two-year sports chiropractic residency at NWHSU's Human Performance Center (HPC). Following residency, he served as the Integrative Sports Care Coordinator of the HPC. During that time, he obtained several chiropractic-specific advanced sports certifications and developed a specialty in managing concussions and associated head injuries.
