More Information

Telehealth in Concussion Rehab

1. Course Description

We know that early treatment is key for a quick and successful concussion recovery. However, many patients are unable to visit concussion rehab specialists in person due to a variety of travel, health, and geographical barriers. Learn how you can leverage telehealth to expand your rehab clinic's reach and increase patient access to care.

2. Speaker

Cheryl Mitchell

3. Contact Hours

1

4. Cost

Free

5. Registration Link

ConcussionCareTraining.com

6. Target Audience

Physicians, Nurse Practitioners, Physician Assistants, Psychologists, Athletic Trainers, Physical Therapists, Occupational Therapists

7. Location/Format

Live Webinar

8. Learning Objectives

(Achievement assessed through post-course evaluation/quiz)

At the end of this course, the learner will be able to:

- Summarize the benefits of telehealth for concussion rehab
- Summarize how to assess concussions via telehealth
- Identify CPT codes that can be used for reimbursement for concussion rehab

Summary of Evidence: Many patients are unable to get to a concussion trained rehab specialist due to rural location, transportation issues, post-concussion symptoms limiting travel, time schedule issues, and health issues. Telehealth is a viable option for offering concussion rehab to reach these patients.

9. Educational Level

Beginner / Introductory / Essential

10. Course Outline

- Concussion Overview
- Concussion and Telehealth
- Assessing a Concussion via Telehealth
- Treating a Concussion via Telehealth
- Q&A

Complaint Policy

When a participant, either verbally or in written format, files a grievance and expects action on the complaint, the following actions will be taken.

If the grievance concerns a speaker, the content presented by the speaker, or the style of presentation, the individual filing the grievance will be asked to put his/her comments in written format. The planning committee will then pass on the comments to the speaker, assuring confidentiality.

If the grievance concerns a workshop, its content, level of presentation, or the facilities in which the workshop was offered, the planning committee will mediate and will be the final arbitrators. If the participant requests action, the final arbitrator will follow the standard cancellation and refund policies.

If the grievance requires a resolution, a member of the planning committee will take necessary action.

Please contact ImPACT Applications at training@impacttest.com, (877) 646-7991 ext. 908, or +1 (412) 567-8400 to submit a complaint, or if you have additional questions.

Commercial Support

Currently, ImPACT Applications does not accept commercial support for any continuing education programs.

Conflict of Interest Policy

Available upon request

All individuals in control of content disclosed **no relevant financial relationships**.

The planning committee identified **no conflicts of interest** for this course.

Commercial Bias

The intent of this course is to promote improvements in the management of concussion. Attendees are encouraged to inform the course planning committee through the course evaluation if any commercial bias is detected.

Cancellation Policy

By the Learner: You may not cancel a video on-demand purchase. The course is available for 6 months after purchase and the individual may watch it at any time. If you are unsatisfied with the course, please contact training@impacttest.com to receive credit towards another course of equal or lesser value.

By ImPACT: If ImPACT Applications removes a course from its video on-demand library, they will first offer the individual a credit toward another course of equal value. If the individual does not want another course, the provider will refund the registration fee for the course.

Cheryl Mitchell

Senior Clinic Manager, Doctor of Physical Therapy and Telehealth Specialist
CORA Physical Therapy

A graduate of Chatham University Doctor of Physical Therapy Program, Cheryl has been a leader in her field with more than 10 years of experience. Passionate about concussion management after sustaining a concussion herself, Cheryl has made concussion awareness, prevention, and management a priority.

She codesigned and pioneered a concussion program to increase awareness of concussions across more than 6 states, has written numerous credentialed continuing education courses, and continues to promote evidence-based management of concussions. With the founding of Inspiration Physical Therapy and Consulting in 2022, Cheryl is dedicated to using her physical therapy skills and concussion knowledge to help others achieve their goals.
