Complaint Policy

When a participant, either verbally or in written format, files a grievance and expects action on the complaint, the following actions will be taken.

If the grievance concerns a speaker, the content presented by the speaker, or the style of presentation, the individual filing the grievance will be asked to put his/her comments in written format. The planning committee will then pass on the comments to the speaker, assuring confidentiality.

If the grievance concerns a workshop, its content, level of presentation, or the facilities in which the workshop was offered, the planning committee will mediate and will be the final arbitrators. If the participant requests action, the final arbitrator will follow the standard cancellation and refund policies.

If the grievance requires a resolution, a member of the planning committee will take necessary action.

Please contact ImPACT Applications at training@impacttest.com, (877) 646-7991 ext. 908, or +1 (412) 567-8400 to submit a complaint, or if you have additional questions.

Commercial Support

Currently, ImPACT Applications does not accept commercial support for any continuing education programs.

Conflict of Interest Policy

Available upon request

All individuals in control of content disclosed **no relevant financial relationships**.

The planning committee identified **no conflicts of interest** for this course.

Commercial Bias

The intent of this course is to promote improvements in the management of concussion. Attendees are encouraged to inform the course planning committee through the course evaluation if any commercial bias is detected.

The Value of Athletic Trainers in the Physician Practice

Aaron F. Hajart, MS, ATC

Chief Operating Officer/Senior Vice President for Strategy and Innovation
Bergen New Bridge Medical Center

Aaron F. Hajart joined Bergen New Bridge Medical Center in July 2017 and currently serves as the Chief Operating Officer and Senior Vice President for Strategy and Innovation. Mr. Hajart provides executive leadership for hospital operations, strategic planning, managed care, and service excellence. He joined New Bridge initially leading the transition process for Care Plus Bergen as they took over operations of the medical center as the Chief Transition Officer and served as Chief Strategy Officer prior to his elevation to COO in April of 2018.

In addition to general hospital operational responsibilities, Mr. Hajart oversees the Diagnostic Services, Physical Medicine and Rehabilitation, Laboratory, Patient Experience and Relations, Behavioral Health Access, Patient Scheduling, Emergency Medical Services, Clinical Service Lines, Managed Care, Facilities/Engineering, Safety, and Capital Planning departments.

Prior to joining New Bridge, Mr. Hajart served as the Assistant Dean for Clinical Strategy and Development at Rutgers New Jersey Medical School. In his role at NJMS, he oversaw the Office of Clinical Affairs at Rutgers New Jersey Medical School and focuses his efforts on strategic alignment, clinical operations, and the development of a growth strategy for the clinical enterprise with current and future clinical affiliates. He initially joined Rutgers, then the University of Medicine and Dentistry of New Jersey, as the Sr. Director of Administration for the Neurological Institute of New Jersey and was a service line administrator in sports medicine and orthopedics at SUNY Downstate Medical Center before his move to New Jersey.

Mr. Hajart completed his Bachelor's Degree in Athletic Training from Hardin-Simmons University and went on to receive his Master's Degree in Human Relations in Business at Amberton University. He has held a number of professional and academic roles and is active in clinical and business related research.
